the spirit is ready,
but the flesh is sick

*Here I am. Today.
Probably tomorrow too.*

*But already I feel death in my body,
and one day I will be gone.*

*Brief. Mortal. Irrelevant.
I have no power to change this.*

*How other is eternal love!
Everlasting in being.
Force and direction of the universe.*

My father.

*I know him through the one
who calls me brother.
He shows me my father.*

*Because of my brother I reject fear,
whether hate, or anger, or loneliness.
I choose the binding power of love instead.*

*Love for my father. Love for my brother.
... and love for you too.*

*My brother is helping my self to die,
so that the life of my father
can be unrestrained within me.*

He is very patient.
